

David Tuuk, M.D.

David received his graduate medical degree from the University of Michigan in 1985, and completed his medical residency in Internal Medicine in 1988 at the University of Colorado. He has been associated with Global Travel Health for over 10 years, and has special interests in the impact of travel on chronic medical conditions, as well as the evaluation of the ill-returned traveler. He is a member of the American Society for Tropical Medicine and Hygiene, the American Medical Association, and the American College of Physicians.
